MEMORANDUM FOR: Associate Deputy Director for Administration
Associate Deputy Director for Operations
Attn: Mr. Fred Randall

SUBJECT: Preparation of Agency's Position in Jane Fonda v. L. Patrick Gray, et al., Regarding SRPOINTER - HTLINGUAL Activity

REFERENCE: Letter to General Counsel fm Dept. of Justice,
dtd 21 Feb 75, re: Subject Case

1. Paragraph I of the referent letter (attached) requests information which may be relevant to preparation of the Agency's position in the subject case. It is requested that you provide this Office with the requested information, preferably in the form of a summary, along with supporting documents, if any, from existing files. An attempt should be made, if possible, to focus upon any specifics pertaining to CIA's acquisition of the four items addressed to Jane Fonda. If this latter information is unavailable, please set forth the operational details of SRPOINTER-HTLINGUAL that would be applicable to 1972-73 when the Fonda mail was acquired. This Office already has a copy of the SRPOINTER folder prepared by the IG in response to the separate Presidential Commission and DOJ investigations of Agency questionable activities.

2. At present, the extent to which the requested information might be revealed in court cannot be determined. This Office intends to resist production of any facts not deemed relevant to the Fonda case.

3. This request has already been made orally to Mr. Russ Miller, Deputy Chief, FR, after prior coordination with the ADDO and Mr. [redacted]. A response by 5 March is requested.
